## Giveaway- 1 Terrailon Premium rolling pin kit and 1 Macaron scale in Liquorice

I recently tested the Terrailon bakeware range at simplyfood and I must say the rolling pin and the bowl set are the best items I have had in my kitchen. If you want to know more about them check out my previous blog post about [Baking with Terrailon](#).

I am so pleased with the items that as always I wanted my readers to get the opportunity to try them too. I have collaborated with Terrailon who have kindly agreed to send one simplyfood reader 1 Terrailon Premium rolling pin kit and 1 Macaron scale in Liquorice just in time for Christmas baking.
