Prize Donations and Sponsorship Opportunities

Find out about prize donation and sponsorship opportunities for the Pink Ribbon Ball London 2017.

Dancers performing at the Pink Ribbon Ball London 2016

Fundraising is so important in ensuring the success of the Pink Ribbon Ball. We have four main fundraising elements on the evening, including a balloon raffle, main raffle, silent auction and live auction. Incredible gift in kind donations are key in helping us reach our fundraising goals.

In return for your amazing support, we would offer you promotional benefits before, during and after the event. Your company name will also feature on our website and will be emailed to our guests prior to the event.

The Pink Ribbon Ball attracts industry leaders in the communication, finance and medical sectors, high net worth individuals, elite and influential business owners, celebrities and active supporters of Breast Cancer Now.

We also have bespoke sponsorship packages available, ranging from £5K-£50K.

If you would like any further information on prize donations or sponsorship opportunities, contact the team on pinkribbonball@breastcancernow.org

We'd like to send a huge thank you to our amazing sponsors of the Pink Ribbon Ball London 2017
