10 best raw food gadgets for your kitchen

By [Claire Davies](#) a day ago

Whether you're spiralizing veg or dehydrating fruit, these raw food kitchen gadgets will help you prep and preserve like a pro

Terraillon NutriTab

Keep track of how many calories and nutrients you're getting each meal by weighing ingredients on Terraillon's innovative smart kitchen scales. More than 1,400 foods are included in the NutriTab database, with information displayed including the five main Recommended Daily Intakes: protein, carbs, fats, fibre and sodium levels. Sorted.
