Terraillon packs a punch with new kitchen accessories and connected home devices

Terraillon packs a punch with new kitchen accessories and connected home devices Other Latest Headlines : Terraillon, the global specialist in metrology and leader in the housewares industry, unveils all-new ranges of kitchen accessories and cutting-edge connected wellbeing devices at the Exclusively Housewares taking place today and tomorrow (Stand number 337) at the Business Design Centre in London. Linda Phouthasak, Marketing Manager, Terraillon UK said: "Terraillon has been exceeding consumer expectations in the areas of kitchen and wellbeing for over seventy years. Our years of experience in digital measurement technology have enabled us to constantly innovate and create new products which have a place in all parts of the home, from kitchens to bathrooms. This is why we're extremely excited about the launch of ACCESS, an affordable range of cooking accessories as well as HOMNI, a smart sleep solution which will only complete Terraillon's ecosystem of wellbeing and weight management. Indeed, Terraillon is the first in the global houseware industry to create a holistic offering with the user at the centre and we will continue to do so as we transition to a global brand in the UK, towards the end of the year." KITCHEN ACCESSORIES ACCESS: Creative and practical cooking accessories ACCESS: A one-of-a-kind new accessories range dedicated to cooking enthusiasts. The range comprises a bowl scraper, a sieve, an angled palette, a grater, a peeler, a zester, a brush, an ice cream scoop, a cake server, an apple corer, a spatula, a spoon as well as a small and large whisk. The prices of the products in the ACCESS range go from RRP 5.99 to RRP 13.99, making them affordable and accessible to a broad audience in the UK. PREMIUM: Stylish and space-saving baking accessories PREMIUM: A cleverly designed range catered specifically to pastry making and baking. The range comprises a rolling pin kit (RRP 34.99); a mixing bowl set (RRP 39.99), a utensils storage kit (RRP 34.99), a measuring spoon (RRP 9.99), a spatula (10.00), a spoon (RRP 9.99) as well as a small and large whisk (retailing at RRP 9.99 and RRP 11.99 respectively) CONNECTED WELLBEING HOMNI: the smart sleep solution HOMNI: A smart sleep solution with four sensors, this intelligent lamp promotes healthy sleep with adapted light cycles and ambient sounds to help users wake up and fall asleep gently. It features programmes like 'Sleep', 'Wake up', 'Relaxation' and 'Nap'. Connected to the new Terraillon dedicated app, HOMNI analyses temperature, light, humidity and noise level of the room environment to provide users with tips to achieve a good night's sleep. Another unique feature is that it allows music streaming via Bluetooth. For a complete solution, 2 kinds of sleep sensors will be available: Dot, a button-shaped sensor which is placed under the user's pillow for automatic and accurate analysis of sleep cycles and duration; and Rest-On, a belt sensor which also analyses heart and respiratory rates. The HOMNI and Dot will be sold together as a package for RRP 199.99 and the Rest-On at RRP 129.99 R-LINK: the world's thinnest connected bathroom scale This ultra-slim (12.5mm) connected impedancemeter is designed with essential features to help users track weight-loss. It features BodySense technology, which calculates weight/body composition and Bluetooth function which automatically synchronises the collected data with the Wellness Coach app. R-LINK, is the only connected scale part of the new R-SERIES range, which includes R-COACH (a non-connected weight & diet focused weighing scale) and R-COLOR (a non-connected color coded weighing scale which tracks weight changes & BMI). Featuring a large glass platform (302 x 302 mm), and a large LCD screen display, the R-LINK can be connected up to 8 smartphones and tablets simultaneously with SmartConnect; a convenient feature for families. The R-LINK retails at RRP 99.99, the R-COACH at RRP 69.99 and the R-COLOR at RRP 49.99 Terraillon's
