TECHBUZZIRELAND.COM

We have a few products in for testing from our friends at Terraillon, First up the Webcoach Wireless body composition scales, Today we will do a quick unboxing and review it in the coming weeks and if you have any questions in the interim feel free to ask..

Features on board..

ANALYSIS OF BODY COMPOSITION

Web Coach Easy View is a true body composition analyser. It calculates your weight, your body mass index (BMI) and your body fat, muscle mass, body water and bone mass. Especially useful when you follow your weight in order to lose the bad kilos (fat) while maintaining muscle mass.

MULTI-FUNCTIONS SCREEN SATELLITE

Position your Easy View screen where you like for easy reading. With its magnetic metal support, you can place the screen on the shelf of your bathroom, on the wall or leave it on the scale. You will easily reach its many features: display of time, room temperature and the timer function (teeth brush, shower or free).

WELLNESS COACH APP

Web Coach Easy View connects to the Terraillon Wellness Coach app. Set your goals and get free advice scientifically validated to reach them.

ADVANCED CONNECTIVITY

Web Coach Easy View uses the new Bluetooth technology developed by Terraillon and allows it to connect with 8 smartphones and / or tablets simultaneously. Handy if each member of the family has his own smartphone.
