

Forget carrots and cabbages. Be inspired to cultivate and cook amazing new crops with this seed-to-plate guide to more than 50 extraordinary edibles you might not usually think to grow in your garden. Peas that taste like asparagus, strikingly purple hyacinth beans, or tiny cucumbers that look like watermelons are just some of the edible delights to be found.

A crack team of growers led by Radio 4 favourite Matt Biggs have grown and tested every fruit and veg to bring you practical growing tips for your exciting new crop. £14.99 DK

- 1. ASPARAGUS
- 2. CHICKPEAS

- 3. OKRA
- 4. ONION

- 5. ARTICHOKE
- 6. RADISH

### 1. AnySharp Knife Sharpeners

Whether you're slicing meat or dicing vegetables, a sharp blade makes cutting effortless. AnySharp restores a super sharp cutting edge to blunt knife blades that have dulled with use. The unique, patented AnySharp uses tungsten carbide technology to extend the life of almost any knife. AnySharp works on virtually any knife, including expensive hardened steel knives. The AnySharp's unique safety feature is its PowerGrip suction cup base, which attaches securely to any smooth surface or worktop without the need for any tools. Once it's attached you can sharpen any knife safely hands free! £14.99 [www.anysharp.com](http://www.anysharp.com)

### 2. Converter Work Top

This converting work top from Robert Dyas will be a handy tool in the kitchen! It has all the typical kitchen weights and measurements that you need to know to cook and bake accurately! £5.99 [www.robertdyas.co.uk](http://www.robertdyas.co.uk)

### 3. Terraillon Premium Rolling Pin and Silicone Mat

Reinvent your approach to baking with this rolling pin and pastry mat! The Premium rolling pin and mat is your best ally in successful dough making. The mat is heat resistant up to 220°C and suitable for ovens as well as microwaves. The graduated rolling pin with removable discs makes it possible to adjust the thickness of your dough. In addition, the mat can be rolled up and stored inside the rolling pin. Premium cookware impresses with precision and practicality. £29.99 [www.terraillon.com](http://www.terraillon.com)

For your chance to win any of the above kitchen tools and gadgets, (include your preference on the entry form) see if you can unravel these four anagrams of PASTRIES.
