HOMNI Smart Sleep Solution; Now available in the UK

Terraillon, the French reference in health and wellness products, is proud to announce that its flagship sleep product is now available in the UK. HOMNI and the rest of the smart health ecosystem will be on display at this year's Exclusively Housewares taking place on 12 and 13 June (stand number 337) at the Business Design Centre in London.

Experience smart sleep with Terraillon

With four sensors, this intelligent lamp promotes healthy sleep with adapted light cycles and ambient sounds to help users wake up and fall asleep gently. Connected to the new Terraillon sleep dedicated app, HOMNI analyses each user's data – temperature, light, humidity and noise level of the room environment – to provide them with tips to achieve a good night's sleep.

Analyse your sleep score

To complete the sleep experience, these complementary sleep sensors provide indepth analysis of your nightly sleep. Data collected is then sent to the app to calculate your overall sleep score and help you understand and improve your sleep.

Dot: Attach this discreet sensor to the corner of your pillow and analyses body movement, sleep cycles and duration.

Reston: Slip this belt underneath your bed sheet to get an overview of your cardiac and respiratory data.

Stay connected to your wellbeing

HOMNI was designed to complete Terraillon's full ecosystem of wellness devices that each focus on one aspect of health: weight, exercise, blood pressure, diet, and now sleep. Connect your devices and use the Wellness Coach app to set your goals and get exclusive tips to help you achieve them.
